

April 27, 2004

In response to your letter dated April 7, 2004, I wish to acknowledge the incorrect title, "Hotel Political Action Committee," seen on our Year End Report (12/1/03-12/31/03) and any previous FEC filings. All future filings will accurately reflect our legal name, "American Hotel and Lodging Association PAC." Please do not hesitate to contact me should you have any further questions regarding this matter. Thank you for your consideration.

Joori Jeon, Treasurer, American Hotel and Lodging Association PAC
